Thanks Steve. I'm better and healing but tire a little too soon. I'll look forward to seeing the brochure.

Let's get you through that chemo so we can get you back out in the community doing God's work! Get well soon. I will pray for you.

First printing of Homeless Task Force is in. Had a slight delay, what else is new? I'm dropping one in the mail to Arcadia. We may want to make changes so only printed a few. How is the recovery coming along? You feeling better Don? I start a fresh round of chemo next week, 3 days in a row. Keep a good thought.

Blessings,

Steve
